

Dr. Liz Goldenberg & Dr. Jordan Elchynski are the Managing Directors of The Adaptology Institute, an organization dedicated to educating a wide range of clients in the private, public and non-profit sectors, on the principles and practice of Adaptive Intelligence.

Dr. Liz Goldenberg is also an Adjunct Professor of Management at New York University and a Research Associate in the Negotiation, Organizations & Markets unit at Harvard Business School. Until recently Liz worked as a Consultant at the United Nations, working toward Gender Equality. She is an expert in the field of Social Psychology and Organizational Behavior, completing her PhD on 'the effects of emotion-regulation on achievement motivation and goal pursuit' at the University of New South Wales (UNSW) in Sydney Australia, while also coordinating several courses in Leadership, Personality, and Cultural Psychology. Prior to starting her Doctorate, Liz lived in the United Kingdom, working as a Research Associate in the Cambridge University Well-being Institute, and later as a Policy Advisor in the U.K. Ministry of Health. Throughout her career, Liz has also co-founded a number of social enterprises in Australia, the U.K., and the U.S.
